

RALLY FOR

TODAY I AM A MUSLIM, TOO

Speakers to include leaders from the Muslim, Jewish, Christian and other faith communities, along with members of the entertainment industry

In response to the March 8th congressional hearings dubbed “The Radicalization of Muslim communities in America” led by Congressman Peter King (R-LI), members of diverse faith communities throughout New York City will join in unity in support of American Muslims.

Stand with us on **March 6th** to show Congress that we are all together, that we share friendship and trust and cannot be divided. Such hearings will send the wrong message, alienating American Muslims instead of partnering with them, and potentially put lives at risk by stirring up fear and hatred.
